Core Competencies

Webb Capital Contracting, LLC provides responsive sourcing and supply solutions for government, institutional, commercial, and facilities-maintenance customers. We specialize in MEP/MRO materials—including HVAC, electrical, plumbing, tools, safety, and maintenance supplies. Fast, compliant sourcing of critical MEP/MRO materials for time-sensitive repairs, maintenance, and facility operations.

SHORTER BULLET VERSION:

- MEP/MRO and facilities-maintenance supply
- HVAC, electrical, plumbing, tools, and safety products
- Government, institutional, and commercial procurement support partner.

Company Overview

Webb Capital Contracting, LLC is an SBA-certified Service-Disabled Veteran-Owned Small Business (SDVOSB) and Veteran-Owned Small Business (VOSB) providing dependable facilities-maintenance, MEP/MRO, commercial, and government supply solutions. We source and deliver products that help public agencies, institutions, contractors, and facilities teams maintain, repair, and operate their properties efficiently. Reliable MEP/MRO Supply Solutions for Government and Facilities Operations.

Past Performance

Construction Knowledge. Procurement Capability. Responsive Execution. With eight plus years of general contracting and masonry experience and five years of sales management at Toyota of Apex, Webb Capital understands what it takes to source the right materials, coordinate suppliers, meet deadlines, and keep projects moving. We bring that experience to MEP/MRO, construction, and facilities-maintenance procurement for government and commercial customers. *Government Contracting Past Performance: Currently Developing*

Differentiators

- Micro-Purchase & Urgent Fulfillment for time-sensitive repairs.
- SBA-certified SDVOSB and VOSB, providing agencies and prime contractors with a qualified supplier-diversity partner.
- Veteran-owned, responsive, and built around practical contractor and facilities-maintenance experience.
- Multi-category sourcing model that helps customers consolidate MEP, MRO, maintenance, and technology purchases through one responsive supplier.
- Focused on accurate product matching, timely communication, competitive quotes, and dependable procurement support for both routine and hard-to-source requirements.
